

## JAJPOS QUIZ by Clete Delvaux

January 2023

My favorite JAJPOS collecting interest is "Fictional Detectives on Stamps."  
(JAJPOS member KAREN CARTIER in her monumental reorganization of the American Topical Association's checklists titles the same collecting interest under "Detectives.") I see from JAJPOS Secretary CHRISTOPHER COOK'S listing of members' collecting interests that three or four JAJPOS members share that collecting interest with me.

But this quiz is for all JAJPOS members to enter!

Andrew Lloyd Weber's popular opera, The Phantom of the Opera, is based on a novel with the same title. Who is the author of that novel? \_\_\_\_\_

This author of the novel also created a fictional detective, whose name was \_\_\_\_\_,

\_\_\_\_\_ "the forerunner of many reporter/detective characters in modern detective fiction."
